Organization Of City Government

For The Year 1955

Inaugural Address

Delivered by Mayor Wiggin S. Gilman, Jan. 3, 1955.

Father Houde, Reverend Reinelt, Gentlemen of the Council, Ladies and Gentlemen: This is my third Inaugural as Mayor of Franklin. I will say frankly that it gives me a feeling of pride as well as a sense of responsibility. I believe any citizen should be proud to serve his City, whether as a Mayor, or as a Councilman, or in any other capacity. But beyond that, I will make no secret of the fact that it is especially gratifying to be elected to a position to serve by vote of the people in each of the three Wards. I am deeply grateful.

When an administration is elected for the third time, and by an increase in majority, it is an unmistakable mandate for continuation of the policies of government which the administration has followed. This is especially true when the policies of government have been of a consistent nature from the start, and when the people have been thoroughly familiar with them. This is the case here. Policies which this administration have followed have been and are—and will continue to be—out on top of the table.

We accept the mandate to carry on the work of the City along the same lines which have been followed successfully for the past two years. It might be well to spell out these broad policies again, so there can be no mistake as to our direction.

First . . . and foremost, your city government is based on a faith in its community, in its people and in the future here. We believe in Franklin. Our City along, with a great many other communities, is faced at this time with great and grave questions. But, if we will all work together, there is no reason why all of our problems cannot be met. We refuse to be defeatists. If we did not believe in Franklin, and its future, we would not be here.

Second . . . We believe in fairness and fair play for every one, in City government or out. The government of our community is a government for all our people, not just for one faction, one group or one political party, or any combination of selfish interests. No pressures, however unfair, will be permitted to turn us from the best interest of the broad community as a whole in favor of any particular group. I mention these pressure groups because unfair pressure has been attempted

in the past. It did not succeed, nor will it in the future if tried again.

Third . . . We believe in efficiency in government. That is the only yardstick which we shall use in determining fitness for public service on the part of either paid or unpaid public officers who may be appointed by this administration. The two party system of government to which we are devoted serves a purpose well in presenting two complete tickets of candidates, before the voters, and in seeing that the people had all the facts on which to base a decision. The parties having served their purpose, those of us who were elected—from both parties—must now serve ours by doing our job, not for parties, but, for the people. I count it fortunate that there are good men from both parties in this administration.

Fourth . . . We believe in economy. There are cities across the nation which have been wrecked by policies of reckless expenditures of money which they could not afford. We will not permit Franklin to join that tragic list. In the personal affairs of each of us, there are many things we would like to buy and to have. But as each of us must limit his personal purchases by what he can afford, so, municipal spending must be limited by the rule of reason and prudence. What we cannot afford, we cannot have, no matter how desirable it might seem. This administration knows no other rule that can be followed.

So, we pledge you that these four rules: **Faith in our City, Fair play for every one, Efficiency and Economy,** will guide all our policies for the next year.

The problems we face are serious. That goes without saying. It does not alter our faith in the future to recite some of them.

The next few years will be critical ones for our schools. As you know, State Aid for schools amounts to only \$900,000 a year. This is only 4 and 6/10% of the total school costs, and our city does not share in this. The N. H. State government pays a smaller proportion of cost of education than any other state in the Union except Nebraska. Now that education costs are increasing, our representatives should do every thing possible to see that the State assumes a larger share of school costs.

Franklin not only has a problem of education, our buildings are crowded and in need of much repair. As the law stands now, Franklin faces this building program alone, which could be serious to our industries, if taxes are increased to any great amount.

The State of Vermont pays 25% for cost of school build-

ings. Massachusetts pays over 35% and here again you can see Franklin and other small cities and towns in New Hampshire are left to work out their own destiny, to sink or swim.

I want all you good people to know that I am not now, and never will be opposed to good schools, and good education. For education should not be regarded as an expenditure. It is fundamentally an investment. The returns are better citizens and more efficient workers.

In the last two years we have lost three industries: Sulloway Mills, Acme Machine Co., and Franklin Needle.

In losing Sulloway Mills we lost over \$287,000 in valuation. Our largest industry has dropped in stock-in-trade valuation since 1952 over \$459,000. In two years that I have been your Mayor the valuations have dropped over \$600,000. In this coming year, 1955, it looks as if we will take another cut due to the sale of the Acme Machine Co. and the Franklin Needle. Our expenses have increased from an appropriation of \$484,000 in 1953 to last year's appropriation of \$512,000—and this whole increase has gone for education. In 1952 the school appropriation was \$187,700. In 1953 it was \$200,500. In 1954 it was over \$217,000

We are all glad that we are able to hold other City departments in line.

Now the big question before the school board, and the City Council: **how much more on the tax rate can the city stand and get new industries and keep what we now have?**

The amount that the schools would like this year would increase our tax rate over \$9.00 and I know, and you know, that we can't afford an increase of this kind, and we can't continue to have an increase each year when valuations are decreasing. We must level off somewhere down the line, if we are to prosper.

I feel we have a very able school board, and it should be interested in the future of the whole City, and consider the school, and all City departments the same. So I hope that your Mayor and Council and the school board will be able to sit in a friendly meeting and work out a budget for 1955 which will be fair to all our people and not any special group.

On January 1, 1953, our bonded debt was \$154,000. On January 1, 1955, our bonded debt is \$107,500. This is a reduction of \$47,000.

In 1953, we had to borrow \$300,000 in anticipation of taxes to carry on the business of the City until our tax money came in. Last year, 1954, we had an appropriation of \$18,000 more than

1953, and we only borrowed \$275,000. The City saved on interest of \$25,000. **We feel very happy that in the last two years, our appropriation for all departments except the school and the County Tax, over which we have no control, has been less. If nothing happens for the year 1955 our appropriation, except schools, will be less. This shows that our increases in taxes all are due to decreases in valuations and the extra appropriation for education.**

Now a few words about various Departments in the City.

Our Relief Department has been very ably run in the past two years. We have been fortunate to have a man who knows the ins and outs of Relief Department. This one department can get out of line very easily. We all know we must take care of the needy and discourage the greedy.

Our City Clerk Department has done a very good job in the last two years, and the appropriation has been reduced over \$340, which goes to show that Departments can save if they have the will to do so.

Fire Department . . . Last year we cut one man from the Fire Department. We believed we could save money and still have an efficient Department. It has worked out very satisfactorily, and the City now saves over \$2000 a year. In my opinion, our Fire Department is one of the best in the State for its size, and the cost is kept at a minimum. Franklin should be proud that it has a Fire Department that is always willing to not only do their job, but cooperate with all other Departments. No matter what you may ask them to do, the firemen are always willing.

Parks and Playgrounds . . . We have gone a long way in the last 10 years to build up our Parks and Playgrounds, beaches, and recreation Center. Clem Lemire and the Park Commissioners are doing a fine job. I wish there were more departments in the City that would do what they are doing on such a small appropriation.

Police Department . . . Under John Pikor and Deputy Chief Sid Martin, the police are doing a good job. The care of parking meters and the patrolling of streets has greatly improved. Our collections from parking meters are much greater. Police protection for the whole City has improved by the use of the cruiser, which patrols the principal streets several times each night. With John Pikor at the head of the department, we can look forward to still a better and more efficient Police Department.

Public Works . . . Two years ago, our Highway person-

nel was from 18 to 24 men. We have reduced the personnel to 11 regular men and 1 boss, and this has worked out to a large savings to the City. The only time we have extra men, is when there has been a big snow storm or an emergency.

Last year, your Highway Department resurfaced and mulched over 13 miles of streets. The work was divided as near as possible between Ward 1, 2 and 3. Also, the department finished the Hospital and Sanborn Hill area.

In 1953 and 54 with TRA funds, and with the City contributing around \$700 and the State \$5000, we built a new street from Davis street to Dr. Kropp's—seven tenths of a mile. Also, the department built a new street from Poplar Street to a point near Kelly's farm—six tenths of a mile. This work was done under State supervision, and the City Highway furnished some labor and equipment. The amount we received back for credit was greater than the \$700 we appropriated.

Cheney Hill and N. Main St. cost over \$26,000. The money was Class B funds, of which the City paid one half. Our Highway department furnished trucks and labor for a credit to the amount of \$6,630. This left the City's share around \$6,800.

As you know, Cheney Hill and N. Main streets were new projects. I feel that they are a big improvement to our City.

Our Highway department, with Mr. Nowell at the head, is doing a good job with a minimum personnel at a minimum cost. There is no end to what this department could spend.

The demands are great, but I feel we have to keep all departments at a minimum until we can get more valuations and more tax money to work with. I hope the taxpayers will co-operate with the City government in our effort to keep expenses down.

At the close of the year 1953 we had a general fund surplus of over \$16,000 and we used \$12,000 of this surplus to reduce the tax rate. Our audit shows, after we paid \$8,300 extra to the school appropriation that we have a surplus at the end of the year 1954 of over \$8,700.

In closing, I again want to thank the people of Franklin for the loyal support they gave me last November 23. I will do everything in my power to live up to their confidence in me.

I wish you all a Prosperous and Happy New Year.

City Government

CITY OFFICERS

Mayor

Elected annually on the fourth Tuesday of November. Salary \$200.00 a year.
Wiggin S. Gilman

Councilmen

Elected by wards for three years. One member from each ward elected on the fourth Tuesday of November annually. No salary.

	Term expires
Ward 1—Charles H. Slack*	January 5, 1956
Arthur Dalphon	January 4, 1957
Herman Krueger*	January 7, 1958

Charles H. Slack died in 1955

Herman Krueger resigned, to take effect January, 1956

Ward 2—Maurice Tessier	January 5, 1956
Walter Plizga	January 4, 1957
Lucien Dussault	January 7, 1958
Ward 3—Hubert Parker	January 5, 1956
Edward H. Hebert	January 4, 1957
Paul Michel	January 7, 1958

City Clerk, Tax Collector, Clerk of Board of Assessors and Custodian of Memorial Hall

Elected annually by the City Council. Salary \$8,917 a year.
Mildred S. Gilman

Overseer of the Poor

Elected annually by the City Council. Salary \$53.00 a week.
Albert M. Ayotte

City Treasurer

Elected annually by the City Council. Salary \$250. per year.
Hazle K. Michaud

City Solicitor

Elected annually by the City Council. Salary \$935.00 per year.
Donald Cushing

Assessors

Elected annually by City Council. Salary, Chairman \$625.00 a year.
\$597.00 per year, other two. \$50.00 per year expense allowance for each.

Ward One	Ward Two	Ward Three
Ernest E. Elliott	William S. Thompson	Thomas Lane, Jr.

Chairman

Commissioners of Water Department

Two members elected annually by City Council for three years. No salary.
Term expires

Alexander Hebert, John Barry	January 5, 1956
Howard Kelley, William S. Thompson	January 4, 1957
Olivier Lagace, Michael E. Burke	January 7, 1958

Acting Highway Commissioner

Elected annually by City Council. Salary \$77.50 a week.
Earl Nowell

Acting Superintendent of Water Works

George Thompson

Welfare Commission

Albert Perreault
Frederick Kulacz
Israel Barg

Term expires
February 2, 1956
February 1, 1957
February 6, 1958

Board of Health

Elected annually by the City Council. Secretary and Chairman of the Board of Health and Milk Inspector \$220.00 per year. No salary for second and third members.

Arthur Truchon,* Chairman Virginia Snow
Frank J. Kropp, M. D.

*Resigned April 4th. Dallas Lambert appointed to succeed him.

Parks & Recreation Commission

One member elected annually by the City Council for four years.

Term expires
J. Langdon Prescott January 5, 1956
Alfred Labrie January 4, 1957
Archie Morrill January 4, 1958
Arthur Pinard January 7, 1959

Trustees of Public Library

Two elected annually by the City Council for three years. No salary.

Term expires
David Brown, Thomas Murray January 5, 1956
Alice M. Shepard, Luella Dempsey January 4, 1957
John Shepard, Esther Griffin January 7, 1958

Surveyors of Wood and Lumber and Fence Viewers

Appointed annually by the Council.

Ernest Smith, Ernest Elliott, Earl Picard, Martin Crowley, Milo Unwin, Edward Colby, Colin Jones, Henry Prince and Israel Barg

Janitor of Memorial Hall and Heating Plant

Elected annually by City Council. Salary \$50.10 per week.

Ralph Colcord

Trustees of Trust Funds

One elected annually by the City Council for a three year term.

Term expires
M. Guy Gilman September, 1956
Arthur B. Leonard September, 1957
Mark Wheeler September, 1958

Board of Education

One member elected annually for a three year term, the fourth Tuesday in November. No salary.

Term expires
James Whittemore January, 1956
Robert Morin, M.D.* January, 1957
Rolfe W. Camp January, 1958

*Resigned October 7, 1955 to take effect January, 1956.

CITY OFFICERS (Continued)

WARD OFFICERS

Elected biennially by the ward.

Ward One

Moderator—George G. Fowler

Ward Clerk—Delia Smith

Supervisors of check list—J. Langdon Prescott, Malcolm Conant
and Virginia Dufault

Ward Two

Moderator—Henry Prince

Ward Clerk—Roger Desrochers

Supervisors of Check list—Annie Desrochers, Lucien Dussault,
and Rita Menard

Ward Three

Moderator—Angelina Hebert

Ward Clerk—Lucille Gloddy

Supervisors of Check list—Joseph Mercier, Luella Dempsey, and
Robert Bailey

Ballot Inspectors

Ward One—Edna Carignan, Basil Broadhurst, Ruth Mull-
avey and Frank Lowell

Ward Two—Evelyn Bean, Margaret Young, Lydia Rocheleau
and Iola Mahan

Ward Three—Mary Claxton, Arthur Leonard, Helen Clark and
Adella St. Cyr

FRANKLIN MUNICIPAL COURT

Clerk

Appointed by the Justice. Salary \$350.00 per year.

Howard Garand

Justice

Appointed by the Governor and Council. Salary \$1,200.00 per year

Auditor's Report
CITY OF FRANKLIN, NEW HAMPSHIRE
FOR THE YEAR 1955

January 11, 1956

To the Honorable Mayor and City Council
City of Franklin
Franklin, New Hampshire
Gentlemen:

Pursuant to our agreement and in accordance with the City Ordinances, I have made an examination of the books and records of the City of Franklin for the year ended December 15, 1955 and submit herewith my report consisting of exhibits, supporting schedules and comments.

SCOPE OF AUDIT

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and supporting evidence as was considered necessary under the circumstances. Verification letters were mailed to a substantial number of outstanding Taxes and Accounts Receivables. Except for the Taxes and Accounts Receivables and some year-end adjustments, the general books of the City are kept on a cash basis and hence reflect cash receipts and disbursements only. No provision has been made to charge the departments with any unpaid balance as at the year-end.

BALANCE SHEET—GENERAL FUND

EXHIBIT A

The Balance Sheet-General Fund reflects the financial condition of the City of Franklin as at the close of business, December 15, 1955. The Comparative Balance Sheet, Exhibit A, Schedule 3, discloses the increases and decreases in the various accounts between the years 1955 and 1954.

Cash on Hand and in Banks—\$17,641.28

The cash on hand was verified by count as of the close of business December 15, 1955 while the cash in the bank was reconciled to the bank statement and the independent verification received from the depositories. The receipts were traced to the bank deposits and all checks cancelled during the year were examined.

Cash in the Franklin Savings Bank represents interest

earned on the Bond Fund Cash which is on deposit in the Savings Bank. Only the interest portion is considered part of the General Fund and the balance remains as part of the Bond Fund Account.

Accounts Receivable—\$411.11

A listing of the unpaid Accounts Receivable balances was in agreement with the controlling account. I tested the charges and credits to the Accounts Receivable cards. The Council authorized abating a substantial number of accounts which appeared uncollectible.

Taxes Receivable—\$55,980.07

The above caption represents the uncollected taxes as at December 15, 1955 against which there is a reserve for Uncollectible Taxes of \$1,351.40. A detail of the activity of the levies of the various years is shown on Exhibit A, Schedule 1, which also discloses the difference between the control and the detail. Several hundred verification letters were mailed to the open accounts on Property and Poll Taxes. Any differences reported to me were thoroughly examined. Approximately, 11% of the 1955 taxes remain uncollected.

The Appropriation for Abatements, which is established in the budget annually, makes provision for uncollectible taxes to be charged off during the year. It would seem, therefore, that the Reserve for Uncollectible Taxes is not necessary and I would suggest that it be closed out to Surplus.

The 1955 Tax Warrant was completely footed and proved to the control. The valuation was also proved. A spot check was made of the daily receipt stubs on taxes collected and further traced to the tax ledger.

The tax rate of \$55.40 as approved by the State of New Hampshire Tax Commission, was confirmed by direct correspondence.

Unredeemed Tax Sales—\$5,450.49

Property Acquired by Tax Deed—\$1,178.33

These items represent the property acquired by non-payment of taxes and were accepted as shown on the books.

Head Taxes Receivable—\$5,130.00

The foregoing item represents Head Taxes to be collected and paid to the State of New Hampshire.

AUDITOR'S REPORT (Continued)

Due From The State of New Hampshire—\$8,421.47

The above caption is detailed on the Balance Sheet. Most of the items were independently verified with the proper authorities at the close of the year.

Temporary Loans in Anticipation of Taxes—\$65,000.00

This amount represents the balance due the First National Bank of Boston on borrowings in anticipation of taxes and was verified by correspondence. The 1955 budget did not provide for the reduction of this account. It is my recommendation that provisions be made for the systematic liquidation of this liability.

Reserve For Head Taxes—\$5,598.50

The City's liability to the State of New Hampshire on Head Taxes is reflected by the above account.

Parking Meters—\$3,971.41

The above amount represents the balance on the Parking Meter collections. The cash for this is included in the General Fund Cash Account. The following shows the activity of the Parking Meter Account for the year.

Balance December 15, 1954	\$2,002.91
Cash Received	13,104.98
Other Credits	8.25
	<hr/>
	15,116.14
Less Charges:	
Cash Expenses	\$936.73
Transfer to Police	5,208.00
Highway	5,000.00
	<hr/>
	11,144.73
	<hr/>
Cash December 15, 1955	\$3,971.41

Unexpended Balances Carried to 1956—\$3,115.53

Exhibit A, Schedule 2C, as well as the Balance Sheet, details the above item.

Surplus—\$14,226.35

Exhibit A, Schedules 2, 2A, 2B and 2C show the results of budgetary operations for the current year and further support the amount transferred to Surplus. The Council approved transferring \$6,000 of the Surplus as a credit to the 1955

budget. The amount from the current year's operation of \$11,457.54 was closed to surplus resulting in a total surplus of \$14,226.35 or an increase of \$5,457.44 over the balance at the beginning of the year.

BALANCE SHEET—GENERAL INDEBTEDNESS

EXHIBIT B

The Balance Sheet—General Indebtedness discloses the City's liability on bonds and long-term notes as at December 15, 1955. A detail of the indebtedness appears on Exhibit B, Schedule 1. All bonds cancelled and interest coupons paid during the year were produced for my inspection.

Cash in the banks was reconciled to the bank statement and to the savings passbook and was independently verified with the depositories. The cash in the National Bank represents the unspent balance of a \$60,000 Bond Issue on school alterations and equipment, while the cash in the Franklin Savings Bank in the amount of \$648.54 represents the unexpended portion of the New High School Bond Issue. The interest earned on the balance in the savings account has been credited to the General Fund.

BALANCE SHEET—TRUST FUNDS

EXHIBIT C

The Balance Sheet—Trust Funds records the assets and the sources of such assets in the custody of the trustees of the Trust Fund.

Cash in Bank—\$35,874.10

Cash in the Commercial and Savings Bank was reconciled to the bank statements as well as the confirmation received from the depositories.

Investments—\$87,553.85

The securities were inspected in the presence of a trustee of the Trust Fund. Exhibit C, Schedule 1, lists the various trust funds and the investment in each and shows the activity for the year.

Overseer of the Poor—Statement of Cash Receipts and Disbursements

School District—Statement of Cash Receipts & Disbursements

Public Library—Statement of Cash Receipts and Disbursements

The books and records of the above were examined and the cancelled checks were compared with the Cash Disbursements

AUDITOR'S REPORT (Continued)

records. The cash in the bank at the close of the year was reconciled to the bank statement and the independent bank confirmation.

Payroll

I examined all payroll checks during the year and reconciled the bank statement.

City Clerk's Office

The books and records of the City Clerk's Office were spot checked. The daily cash register tapes were checked to the Cash Receipts book and traced to the bank deposits. A spot check was made on automobile permits and dog licenses during the year as well as other business licenses.

GENERAL COMMENTS

The Council approved transferring from Unexpended Balances to Over-expended Balances the amounts necessary to eliminate over expenditures of appropriations. Accordingly, this was done by means of a journal entry at the end of the year. The detail for the budgetary appropriation for the year is set forth on Exhibit A, Schedule 2.

The School Department has unpaid invoices dated December 15 or prior totalling more than \$9,400. When expenditures of this amount are paid in a subsequent year, the true cost of the current year's operation is not reflected in the books.

A review of the Payroll discloses that on January 3, 1955 payroll checks were issued covering a period other than the current semi-monthly payroll. I was informed that the January 3, 1955 payroll was to cover part of the August 1955 salaries. If the School Board is to continue this policy, it should first make provision to liquidate its current year-end liabilities.

I wish to express my appreciation to all the City Officials and the members of their staffs for the cooperation and courtesies extended me during the audit.

Respectfully submitted,

LEONARD D. RICCIO,

Certified Public Accountant

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

December 23, 1955

Board of Water Commissioners
City of Franklin, New Hampshire

Gentlemen:

In accordance with the request of your Board, an examination and audit of the accounts of the City of Franklin Water Works for the fiscal year ended December 15, 1955, has been made by this Division. Submitted herewith is our report in the form of Exhibits as hereafter listed. We extend our thanks to the officials and office staff of the City of Franklin Water Works for their assistance during the course of the audit.

Yours very truly,

**HAROLD G. FOWLER, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

**ROBERT W. FLANDERS, Auditor
NORVAL D. LESSELS, Accountant**

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

December 23, 1955

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the City of Franklin Water Works for the fiscal year ended December 15, 1955, and found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Water Works on December 15, 1955, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

**HAROLD G. FOWLER, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

**ROBERT W. FLANDERS, Auditor
NORVAL D. LESSELS, Accountant**

(substitutes receive no salary)

Permanent Firemen

Leslie N. Boomhower, Charles D. Cunningham, Bernald W. Cook, Leland K. Wescott, Moise H. Mercier, William E. Beckford.

ENGINEERS REPORT AND RECOMMENDATIONS FOR THE YEAR, 1956

We wish again to call to your attention the fact that the Ladder Truck is now 30 years old. The strength of the ladders after these years is questionable. We recommend that a sum be laid away each year towards the purchase of a new truck.

FIRE DEPARTMENT (Cont.)—

The old Reo has been replaced with a modern G. M. C. truck for all still alarm work. The hydrants were inspected and about 100 out of 165 were found to be in need of repair. The Central Fire Station has been newly painted. 3 fire alarm boxes have been added to the system.

We wish to thank the mayor, the fire committee and other members of the City Council who have helped make the year 1955 successful.

THE BOARD OF FIRE ENGINEERS

Leslie N. Boomhower, Chief

Charles D. Cunningham, Deputy and Clerk

Bernald W. Cook, Deputy

LIBRARIAN'S REPORT

The record of the 48th year of public library service to Franklin is evidence of the constant use of the book collection and the facilities of the library building

There are many uses of the library for which no tabulation ever registers the number using the services offered by this community institution, such as visitors in the reading rooms, those who spend time browsing through books old and new, student use of the reference books, those who use Library Hall or the Draper room, or visitors to exhibits arranged throughout the year.

As a matter of record, the following figures are of value in giving an idea of what constitutes a year's work at the library. There have been 1,005 books added, 810 by purchases, 195 by gift. Of this number, 770 were for adults and 235 for children. The Memorial Book Shelf has had eight additions. Our magazines total 164, with 62 received as gifts. Seven newspapers are received regularly.

The catalogued book collection consists of 29,180 volumes, after the discard of 279 worn or obsolete books. The annual circulation figured 41,600 loans, showing a busier year than 1954, by several hundred items—books, magazines, pamphlets and pictures. Newly registered borrowers were 470, of which 383 are residents, and 87 non-residents. After withdrawing 834 inactive cards the active list stands at 2,838.

The per capita reading score remains the same as for 1954,

LIBRARY REPORT (Continued)

6.3 volumes, with the average per borrower becoming 14.6 volumes. The percentage of fiction read continues to drop, now 43.2%, while that of non-fiction has risen to 33.5%, an increase of 7% over that type of reading for last year. The use of the children's room increases annually. Boys and girls borrowed 12,247 books during 1955. Interlibrary loans have been 32 books and 42 musical records borrowed through the State Library, with 18 of our books loaned to other libraries in the same manner. There have been 55 classroom loans made to various teachers, with a circulation of 515 volumes in this way. In addition, about 100 books were loaned to a neighboring summer camp during July and August.

Book Week, in November, was a busy time, with 150 new books for children on display for the entire week. During three days of the week there were classroom visitations when 496 children and their teachers browsed among the books arranged by their grade level.

Exhibits have continued to interest patrons and visitors, both adult and juvenile. Among the exhibits have been early Franklin maps (some drawn on silk) and pictures, Lincoln and Webster displays, Audubon wildlife photographs, and the Stanley Szwed exhibit of children's creative art. Several special exhibits of the year were: displays to honor the 150th anniversary of the discovery of the Old Man of the Mountain; a Franklin Post Office exhibit covering the years since city delivery of mail was started; a Holy Bible arrangement containing the different versions and several foreign Bibles, also a Polyglot Bible printed in Franklin in 1844; photographs and souvenirs of different wars; and parchment replicas of several famous historical documents. Hobby collections were shown from time to time, chief of which were hat pins, coins, sea shells, and minerals. The two outstanding exhibits of the year were of Roman glass (about 50 A. D.) excavated in Egypt in 1904, kindly loaned by Miss Eleanor Lovett of New London; and the Indian collection of articles from various tribes of the United States and Alaska, arranged and loaned by Dartmouth College Museum.

Unusual events at the library during the year were a silent book auction conducted for the last ten days of August, when over fifty books not needed by the library were sold by bid

to those who desired them; a series of naturalization classes during the spring months, sponsored by Abigail Webster Chapter D.A.R.; and the visitation of two Girl Scout troops, with a conducted tour of all three floors of the building and a description of the work of the library.

The Franklin Woman's Club, the Franklin Community Garden Club, and the Hospital Auxiliary have held regular meetings in Library Hall, and occasional meetings of other groups have been held either in the Hall or in the Draper room. Library trustees met once a month in the Draper room, except through the summer months.

A fine gift came to the library through the generosity of Mr. and Mrs. Israel Barg, who provided for the purchases of a collection of nineteen of the best recent books on Jewish life, customs, religion, biography, the American Jewish year-book, and some children's books. Parchment replicas of famous historical documents were presented by Mrs. Elsie Lambeth; literary and musical pictures were the gift of Stanley J. Szwed; Franklin maps of 1867, drawn on silk, came from Alexis C. Proctor; the Griffin genealogy, also several Franklin pictures, were given by Mr. and Mrs. Rodney A. Griffin; state publications have been presented by Mr. and Mrs. John P. Dempsey; a miscellaneous collection of early books and papers from John S. Shepard; and the latest edition of the Hotel Red Book came from Robert N. Sawyer, Jr.

Items of local significance have been presented by Albert G. Garneau, William A. Doherty, the Franklin Post Office, Mrs. Harry Rice, Mrs. Martin H. Streeter, Miss Addie E. Towne, and Miss Helen M. Royder. Franklin Rotary Club has given fourteen of the latest edition cloth-bound merit badge books.

One important addition to the reference collection has been Grove's Dictionary of Music and Musicians, in nine volumes, replacing a five volume edition of 1927. Other useful reference books added during the year, several purchased from trust funds, have been Current biography (1954), Franklin directory (1955), American library directory (20th edition), Essay and general literature index (1948-1954), Britannica book of the year (1955), Short story index, Historical statistics of the United States 1789-1952, Statistical abstract of the United

LIBRARY REPORT (Continued)

States for 1954, Private independent schools (1955), and the Hotel Red Book for 1954-1955.

New equipment acquired during the year included an electric adding machine, for which a manually-operated machine was exchanged; an enameled aluminum canopy for the back door where there was no protection from the weather; three more two-shelf table-end bookcases in the children's room; a combination blackboard and bulletin board for Library Hall; and two folding metal tables for use wherever needed.

The building has received excellent care from Ralph C. Colcord. In addition to usual janitorial duties, Mr. Colcord has painted the front basement stairway and the walls of the stack room, behind the main desk. The front hall and stairway walls of the building were repaired and painted by E. J. Keegan & Co. in the fall. The satisfactory appearance of the library grounds is due to the interested and suitable care given by Arthur R. Tilton. Four new rose bushes have given pleasure indoors and out. Both Mr. Colcord and Mr. Tilton are complimented frequently for the fine results of their efforts.

During the year the librarian has attended the meetings for city librarians called at the State Library in Concord, and attended the New Hampshire Library Association-Vermont Library Association joint conference held at Wentworth-by-the-Sea in September, where she served as chairman of the nominating committee. Mrs. Ethel L. Hanley, assistant librarian, was honored with the award of a \$75.00 New Hampshire Library Association Scholarship for the three weeks' course in Library Techniques, offered at the University of New Hampshire in July. Britta Karlberg, high school page or student assistant for three years, graduated in June, and now attends the University of New Hampshire, also assisting in the University library. Miss Karlberg plans to become a trained librarian. Carol Toshach was appointed as the new student assistant in the Franklin library.

The interest and support of the citizens of Franklin makes the service of the library to the community a challenge and a pleasant, worthwhile duty for the members of the library staff.

Respectfully submitted,

MILDRED J. PEASLEE,
Librarian

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

**To the members of the School Board, Mayor and City Council,
and Citizens of the City of Franklin:**

I herewith submit my second annual report as your Superintendent of Schools. This is the fifty-fifth in the series of reports prepared by school superintendents.

Personnel Changes

High School:

(See report of the High School Principal.)

Junior High School:

Mr. Ralph Beede replaces Mr. Edwin Chamberlain in Science and Crafts. Mr. Beede is a graduate of Plymouth Teachers College, and has done graduate work at Keene Teachers College.

Mrs. Grace Guptill, a graduate of Plymouth Teachers College, replaces Mrs. Elissa Sullivan in English and Science. Mrs. Guptill has taught in Lebanon, Tilton and Gilmanton Corner, N. H.

Hancock School:

Miss Ruth Millar was elected to the position of Grade III to replace Mrs. Grace Colby. Miss Millar is a graduate of Plymouth Teachers College and has taught in Littleton, N. H.

Nesmith School:

Mrs. Cecile Smith, replaces Mrs. Maxine Brewster, in Grade I. Mrs. Smith has taught in Shrewsbury and Randolph, Vt., and in Canterbury, N. H. She has had several summer and extension courses.

Mrs. Roberta Angell was elected to fill the position of Grade II replacing Mrs. Jadwig Legace. Mrs. Angell is a recent graduate of the University of Vermont.

Mrs. Helen Merrill, replaces Mrs. Irma Fortin, teaching Grade IV. Mrs. Merrill is a graduate of Plymouth Teachers College. She has taught in Tilton, Alexandria and Pembroke, N. H.

SUPERINTENDENT'S REPORT (Cont.)—

Enrollment

An analysis of the enrollment and school census for 1955-56 indicates that we may expect approximately 45 more children in grades 1-6 and approximately 50 more children in High School. The enrollment at the Junior High School will remain about the same. The above figures include some allowance for drop-outs.

Because of these increases it will be necessary to employ two additional grade school teachers and two additional High School teachers. Two additional rooms at the grade school level will be required. The Superintendent is now considering the rental of various church properties to handle these additional grades. By discontinuing the use of the audio-visual room, one additional room may be secured at the High School.

As a result of the serious building problems, the School Board last year voted to employ the firm of Engelhardt, Engelhardt and Leggett to conduct a school survey for the city of Franklin. This survey was approved by the City Council. Dr. Nicholas Engelhardt, Jr. is conducting the study at the present writing (March 23, 1956). As a result of the survey, the city of Franklin will have a comprehensive plan to meet its long-range educational problems. Most of these problems were discussed in great detail in the last annual report of the Superintendent.

It is expected that the Engelhardt survey will comment on all deficiencies in the building, curriculum, and equipment programs. Among the major problems facing the city are:

1. Additional rooms.
2. Improved lighting.
3. Increased janitorial service.
4. Improved care of grounds.
5. Equipment for care of grounds.
6. Paving of driveways and parking areas at the High School.
7. Shop equipment.

In addition to the above items, there are major problems

of maintenance to, and renovation of, our buildings. Among these problems are:

1. Conversion of the High School and Nesmith stokers to more modern equipment.
2. The painting of many of the classrooms.
3. The purchase of teachers desks and chairs to replace the tables currently being used.
4. Installation of controls on the Junior High heating system.
5. Replacement of the main steam line between the High School and Junior High School.
6. The improvement of cafeteria facilities in all buildings.

Salary Schedule

In an attempt to equalize the discrepancies in salaries, the School Board has adopted a schedule ranging from \$2,800.00 to \$4,000.00, with annual increments of \$100.

Provisions have been made to allow experienced teachers to reach their proper place on the salary schedule.

Since beginning teachers from Keene and Plymouth Teachers Colleges are being hired from \$3,000.00 to \$3,200.00, we will undoubtedly find it necessary to raise the base to \$3,000.00 for September, 1956.

I wish to express my appreciation to the School Board, school staff, and the people of Franklin for their cooperation and support during the last school year.

Respectfully submitted,

RICHARD A. MARTIN

Superintendent of Schools

REPORT OF THE HIGH SCHOOL PRINCIPAL

January 3, 1956

To the Superintendent of Schools:

The summary of enrollment on January 1, 1956, is as follows:

	GIRLS	BOYS	TOTAL
Seniors	34	32	66
Juniors	50	32	82
Sophomores	49	47	96
Freshmen	57	56	113
Post Graduates		1	1
	—	—	—
Totals	190	168	358

The evidence is that our enrollment will increase next year, requiring at least one additional classroom and teacher. The only room left is the one used as a projection room. Further expansion will be impossible without additional classroom space.

Faculty

The following faculty changes were made this year:

Mr. Michael Sarkesian replaced Mr. Brough as Biology teacher and is Director of Athletics and head coach of Football, Basketball, and Baseball.

Mr. Harold Melkonian replaced Miss Mary McIntosh as commerce teacher. He is assistant coach of Football, Basketball, and Baseball.

During the year, Miss Katherine Kennett replaced Mr. Robert Gourley in the Mathematics Department. This fall, Mrs. Alton Currier replaced Miss Kennett in this department.

Mrs. Anne Rose replaced Mrs. Currier as teacher of Senior and Sophomore English and Yearbook advisor.

Mr. Leonard Philbrick replaced Mr. John Ball as instructor of Senior Science and General Science.

Mrs. Elizabeth Miller replaced Mr. John Knight as Social Studies teacher.

Mr. William McAlduff replaced Mr. George Hancox as instructor of Junior and Sophomore English.

Mr. Edward O'Rourke replaced Mr. Edward Henley as Boys Physical Education teacher and assistant coach.

Mr. Joseph Burleigh was officially elected as Vice Principal of the High School.

Recommendations For 1956

These recommendations are the result of work done at several teachers meetings. They are presented by the whole staff.

Personnel

Assistant Principal & Guidance:

1. We recommend that a full time job be made of the combination of Vice Principal and Guidance Director. Under the present organization, no teacher has time to spend with pupils during the school day. It is necessary that pupils have help and guidance with their every-day problems, choice of courses and choice of career. The need is for a person to have the time to handle pupil problems in the area of discipline and guidance.

Art:

2. We are very much concerned with the lack of art instruction. We recommend the hiring of an art supervisor who will be able to handle a one half or a full credit course in art instruction and appreciation at the high school level who will spend the rest of the time available in the junior high and elementary grades.

Music:

3. Our music program could be greatly improved by the addition of a person qualified to teach instrumental music, both band and orchestra, and music appreciation. As it is now, our music instruction is limited to vocal instruction during the school day. The only instrumental work is held after the regular school day in the form of band rehearsals. The band is dependent on its own resources for fund raising. The only support from public funds is the salary of the person who rehearses the band.

4. We are constantly faced with problems of pupils reading several grades below level. Test results indicate the need for remedial work. What is now being done has to be done as a part of the regular class work. This not only does not help the problem much, but tends to slow down the pupil who is able to make normal or better progress. We need the help of a remedial teacher.

Lip Reading:

5. We have had an effective program of lip reading instruction for the hard of hearing children. This service is relatively

PRINCIPAL'S REPORT (Continued)

inexpensive and improves the progress in all school work for the children concerned. I join with the nurse in requesting renewal of this service.

Professional Activities:

6. Very frequently professional meetings are held in the larger cities throughout the year. There is no question that attendance by teachers at these meetings strengthens and modernizes their teaching and helps to improve the overall program of the school. We suggest that a policy be established to make possible the attendance of administrators and teachers at such meetings. This should include both time and financial assistance.

Driver Training:

7. We request very strongly that Driver Training be included in the program next year. In June, 64 boys and girls indicated that they wanted to register for this course. All statistics point to the value of this offering as it affects the highway accident toll.

Latin I:

8. Ten boys and girls have already indicated that they want to take first year Latin. At the present time, we do not have a teacher on the high school staff qualified to teach this subject.

Janitor:

9. Our Janitorial staff is inadequate to take care of this building. As it now works out, one man is in the boiler room until 9:30-10:00 a. m. He then helps to move food for 20-30 minutes. He has lunch from 11:30-12:30 and then cleans up the eating areas before classes begin. He has to return to the boiler room before he leaves. Time left for cleaning is 1-1½ hours in the morning and 2-3 hours in the afternoon. The other man drives a bus until 9:00 a. m., has lunch from 11:00-12:00 and drives again at 2:40-4:30. Time left for cleaning 3-4½ hours. In both cases at least half of the cleaning time is when all classes are occupied. The building is not clean and the grounds need attention. We need additional help.

Library:

10. Our school library is supervised by students and Miss Pellerin organizes the work and works after school hours. This is only a makeshift arrangement which does not provide the

full library service that we need. The part time services of a librarian would be very helpful. Perhaps a joint arrangement with the city library could be worked out.

Buildings and Grounds

Driveway and Lighting:

1. The lighting of the driveway is inadequate for the constant use received at night by the high school building.

Recommendations:

a. Increase the candle power of the street light opposite the driveway and put in a reflector to take care of the entrance.

b. Put a bank of spotlights on the front corner of the building, run by a switch in the janitor's room.

Auditorium Chairs:

2. We have begun replacing the auditorium chairs. They have held up very well over the fourteen years of use. They are set up and stacked several times a week. The best investment is individual metal chairs purchased in sets with a storage rack having castors. This would give longer life to both the chairs and the gym floor. The rate of 200 per year will replace those now being discarded.

Lockers:

3. We recommend that the lockers be installed immediately in the boys locker room. They have been delivered and will have to be assembled and placed.

Shop Equipment:

4. We have made a good start in replacing the old machinery in the machine shop and wood shop. We recommend that the plan be continued by: a. Replacing two machines per year in the wood shop; and, b. Replacing three machines per year in the machine shop.

Commercial Equipment:

5. We recommend that the balance of the commercial equipment authorized in the bond issue be purchased. We should have an electric adding machine and a dictaphone or some other oral transcribing equipment. It is necessary for our trainees to have experience with modern business machines.

Ventilation for Dishwasher:

6. It would be a simple matter to cut a ventilator in the top part of the air shaft over the end of the dishwashing machine.

PRINCIPAL'S REPORT (Continued)

This would get rid of the large volume of steam which collects in the room.

Classroom Lighting:

7. Our lighting improvement plan was not followed this year. The sewing room and study hall should be changed to fluorescent this year. Our present lights on the north side of the building do not give the minimum illumination recommended for class work.

Score Board:

8. We have had the scoreboard and ice hockey rink serviced by a separate meter. The rink has been discontinued and the wiring to the scoreboard has lost its insulation. It would cost about \$75 to run a line underground across the field to connect on to the shop circuit. It would cost about \$30 to properly wire from the present meter plus the charge for separate service each year.

Tape Recorder:

9. Our tape recorder is almost beyond repair, it should be replaced this year.

Athletic Field:

10. In order to keep the athletic field in good shape, it will need attention every year. We made a good start last year. A definite sum should be set aside for annual fertilization, seeding, and care.

Filing Cabinets:

11. We need to have four drawer steel filing cabinets in 5 classrooms.

Painting:

12. The building is now 16 years old. Only one classroom has been repainted. A definite plan of yearly refinishing should be set up.

Sewing Room Chairs:

13. The wooden chairs in the sewing room are about finished. We need to have 25 of the high straight back chairs for the use of the sewing class. The folding metal chairs are much too low for this work.

Eraser Cleaning Machine:

14. We need an eraser cleaning machine or an attachment for the vacuum cleaner for this purpose.

Electric Adding Machine:

15. We need an electric adding machine in the office. Our old hand operated machine is worn out.

Shades:

16. The window shades in the Gym are beyond repair and have to be replaced. We need the type which will black out all light. We can not use the Gym for projection purposes unless the shades are run in tracks.

Stage Curtain:

17. The curtains on the stage can not stand another fire-proofing. They were repaired last year and can not be repaired again. Plans should now be made for replacement.

18. The planks on the bleachers are now starting to go. If plans are made to purchase 24 per year, it will be possible to keep them in full operation.

19. The condition of the tile floors in all parts of the building can be corrected. There is an accumulation of 15 years of wax. At this point the job of taking it off will probably require one man to spend 2 or 3 days per room. We believe that it would be money well invested to hire a man to spend the summer renovating the floors and refinishing class room desks. Both jobs have to be done during the summer and the normal maintenance crew does not have the time for it.

20. The driveway is still in need of a new surface. It should be widened at the entrance and raised to avoid the collection of water near the main street. The area next to the shop entrance should be covered the whole length of the building and up to the building. This is now used for parking and as an exit from the locker room. It is hopeless to try to grow grass in this spot.

We realize that all of these recommendations can not be carried out this year. However, they can become part of the total picture as plans are made for the future.

It is a pleasure to work for the children of Franklin and with the people of Franklin in this important work of providing the best possible educational opportunity for our young people.

JOSEPH J. CASHMAN

REPORT OF THE SCHOOL NURSE

The school health program aims to help the pupils improve and maintain their own health, and to assume their share of responsibility for the health of others. It encourages parents to have their children visit their family physicians and dentists. It assists the families in the use of community resources for the correction of defects. It promotes and maintains a safe and healthful school environment.

School health programs were originally instigated for the control of communicable diseases. As the years went by, it was found that more efforts should be placed upon the correction of defects. Today we are concerned not only with these two areas of physical health, but also with the development of the whole child—his physical, emotional, mental and spiritual well being.

Despite many years of battle against the treacherous tubercle bacillus, the age old fight against the dread scourge of tuberculosis is still a desperate one. It is estimated that five million people throughout the world die each year from this disease. We need to continue our strong campaign to control this infectious disease. For this reason, a Tuberculin Skin Test clinic is held annually in our schools. On March 7, this test was given to 643 children, teachers and school lunch workers. Twenty children showed a positive reaction to the test and as a result were X-rayed in May. Two chest clinics were also held in January and in June at which 66 children were examined by Dr. Robert Kerr of the New Hampshire Tuberculosis Association.

A child's vision should not be taken for granted. It is a precious gift and hence is to be carefully guarded. Good vision and good health are closely related. It has long been recognized that the state of the health of the body as a whole has a definite effect on the health of the eyes. By the same token, the state of visual health in an individual often is reflected in his general physical condition. Visual testing is therefore important and for this reason is given annually in our schools. This year the Massachusetts Vision Test was administered to 1,420 children.

In spite of the great progress that has been made in dentistry in recent years, the average child today has more cavities, or what are technically called caries, than the child of

twenty years ago. Children should be encouraged to visit their dentist regularly. In addition, they should be encouraged in developing such health habits as dental cleanliness through proper brushing and the partaking of such tooth building foods as milk, fruits, vegetables, eggs, meat, whole grain cereals and bread. It is encouraging to find throughout our schools that a good number of the pupils are visiting their dentists and receiving dental care.

Hearing is the principal stimulus for speech. A child learns to talk by imitating the sounds he hears. If his hearing is defective his speech may not only be delayed but also impaired. Indeed, a good sense of hearing is vital to the development of good communication and the child's hearing should be tested early in life. To this effect, 1,420 children in the Franklin Schools were tested on the Puretone Audiometer Instrument. As a result of these tests, 25 children were found to have a hearing loss of ten percent or more in either one or both ears.

Diphtheria immunization is taking its place with vaccination as a routine health measure. The first seven years of the child's life are those in which he is most susceptible to diphtheria. Tri-immunal inoculation is a combination of diphtheria, tetanus toxoids and whooping cough vaccine and is administered in 3 doses at 4-week intervals. The total number of children given this inoculation was 236.

The New Hampshire State Board of Health, in cooperation with the New Hampshire State Board of Education, sponsored Poliomyelitis clinics throughout the State. In May, a Poliomyelitis clinic was held in Franklin with 319 children receiving their first inoculation. A second inoculation was given during the month of October with 306 children attending.

The New Hampshire State Board of Health continued to offer its services to children with postural, orthopedic, and foot defects through the competent and trained physiotherapist, Miss Mary Bullock of Concord. Miss Bullock has been coming to the Daniell Junior High School on the first Friday of each month to supervise the exercises recommended by the attending physician at the clinics. The total number of children seen by Miss Bullock during the year 1955 was 91. Sixteen children attended the Orthopedic clinics which were held in Manchester, Laconia, and Concord.

NURSE'S REPORT (Continued)

Proper nutrition is a vital concern in any health program, particularly in view of the important part that it plays in the scholastic achievement and adequate personal and social adjustment of the child to school situations. One cannot overestimate the value of hot lunches served to our school children. I am happy to report that 4,121 hot lunches were served during the past year. The money for these lunches was donated by various clubs, organizations, and individuals.

Miss Rose Marie Manus, speech therapist from the Crotched Mountain Foundation, came to the High School on February 10, 1955 to interview students with speech defects. Miss Manus has also been coming twice a month to work with these students and in many cases, a definite improvement has been noted.

The importance of detecting physical defects in their incipient stages cannot be over-emphasized. In keeping with this, a pre-school clinic was held during the months of May and June. At this time 112 children were examined by Dr. Robert Morin and Dr. Paul Bruch. The most common defects discovered were: poor posture, decayed teeth, enlarged glands, defective tonsils and adenoids, heart and orthopedic conditions.

Health authorities are in agreement on the importance of a physical check-up prior to entering upon new and vigorous fields of endeavor. Physical examinations were given by Dr. Robert Morin to all pupils participating in the athletic program of the Franklin High School. Physical examinations were also given by the doctors of Franklin to transfer pupils entering our schools for the first time.

During the year 1955, the school nurse made 1,470 visits to the various schools. The number of children inspected by the school nurse totaled 1,188.

I wish to take this occasion to express my sincere gratitude to all for their wholehearted cooperation and financial assistance during the past year.

Respectfully submitted,

MARION G. MOYNIHAN, R. N.

Resolutions

No. 1

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to borrowing money in anticipation of taxes.

Resolved by the City Council of the City of Franklin as follows:

That for the purpose of paying current maintenance and operation expenses, the Treasurer, with approval of the Mayor and at least a majority of the Standing Committee on Finance, be and she hereby is authorized, under and pursuant to the Municipal Finance Act, from time to time during the current financial year ending December 15, 1955, to issue and sell at discount notes of the City of Franklin in anticipation of taxes of said financial year not exceeding in aggregate principal amount outstanding at any one time three hundred thousand (\$300,000.00) dollars. All such notes shall be signed by the Mayor and countersigned by the City Treasurer, shall have the city seal affixed thereto and shall bear the authenticating certificate of the First National Bank of Boston, in Boston, Massachusetts and each note shall bear a statement printed on the back thereof, signed by the City Treasurer, that it has been registered by her.

Approved: Wiggin S. Gilman, Mayor

Passed: January 3, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

No. 2

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to taxes and poll taxes.

Resolved by the City Council of the City of Franklin as follows:

That the Tax Collector shall not allow any discounts on taxes but that twenty cents shall be added to all poll taxes not paid on or before September 15, 1955.

Approved: Wiggin S. Gilman, Mayor

Passed: January 3, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

No. 3

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to the weekly payrolls.

Resolved by the City Council of the City of Franklin as follows:

That the Treasurer be and hereby is authorized to draw her draft each week for the payment of the weekly payrolls of the Highway, sewer and other departments where weekly payment is required.

Approved: Wiggin S. Gilman, Mayor

Passed: January 3, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

No. 4

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to the appointment of the Standing Committees of the City Council.

Resolved by the City Council of the City of Franklin as follows:

RESOLUTION

NO. 6

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to the disposition of funds of the bond issue for school equipment, reconstruction and alteration.

Resolved by the City Council of the City of Franklin, as follows:

1. That the sum of sixty thousand dollars (\$60,000) to be raised by bond issue for alteration and repairs of school buildings and for purchase of certain new school equipment, be transferred when received to a special fund designated as the School Reconstruction and Equipment Bond Fund.

2. That expenditures may be made from said funds for the purposes set forth in this resolution when proper bills have been presented to the committee on finance of the City Council and approved by it. Provided, however, that said committee on finance shall approve payment for expenditures authorized under 3a, 3b, 3c, and 3d of this resolution only upon receipt of proper certificates of payment signed by the architect in charge and also signed by the members of the Board of Education.

3. That expenditures from said funds are authorized for the following purposes, subject to the terms of this resolution:

a. The sum of seventeen thousand dollars (\$17,000) for alterations and improvements of a permanent nature to the Nesmith School, which shall include construction of two additional basement rooms, installation of new oil burner and tank, relocation of cafeteria, installation of fire-resisting screens, and new lighting equipment.

b. The sum of nineteen thousand nine hundred and four dollars (\$19,904) for excavation of basement of the new section of the Daniell Junior High School and remodeling of said basement to provide a room suitable for a cafeteria and additional class room space.

c. The sum of two thousand one hundred dollars (\$2,100) for the construction of new accessway to the high school.

d. The sum of six thousand dollars (\$6,000) for the reconstruction and alteration of the high school building by re-

removal of the parapet and construction of new copper flashings on roof edge.

e. The sum of fourteen thousand, nine hundred ninety-six dollars (\$14,996), as follows:

(1) Additional machines for machine shop	\$5,000.
(2) Additional machines for wood working shop	2,000
Installation, transportation and lighting charges for same	500.
(3) Basket and basket stands for locker room	586.
(4) Lockers, 36 full length, and installation.	900.
(5) Dishwasher	1,640.
(6) Office practice equipment	1,200.
(7) Sewing machine	170.
(8) Playground equipment	1,000.
(9) Chairs for high school auditorium	1,000.
(10) Fire-resisting screens—Hancock School	1,000.

4. That the Board of Education be and hereby is authorized to enter into contracts for alterations and improvements as set forth in 3a, 3b, 3c, and 3d of this resolution, provided that in making and awarding such contracts the following procedure shall be followed:

a. All work is to be put out for competitive bids, which are to be sealed.

b. All bids are to be opened by the architect in charge in the presence of the Board of Education, the chairman of the School Committee of the City Council, and the Mayor.

c. All contractors whose bids are accepted shall furnish a bond in sufficient amount to secure the proper completion of the work contracted to be done.

5. That the Board of Education be and hereby is authorized to purchase the equipment as set forth in 3e of this resolution.

6. That all payments from said School Reconstruction and Equipment Bond Fund shall be made directly to the architects, contractors and suppliers and other parties furnishing the labor, services and equipment authorized herein.

Approved: Wiggin S. Gilman, Mayor

Passed: March 24, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 7

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to bonds for school equipment, and school reconstruction and alteration.

Resolved by the City Council of the City of Franklin, that the following public works and improvements of a permanent nature are hereby authorized, namely:

1. The reconstruction and alteration of the Nesmith School by constructing two extra classrooms and a new cafeteria in the basement, at an estimated cost of \$17,000.00;

2. The reconstruction and alteration of the Daniell Junior High School by constructing additional classroom space and a new cafeteria in the basement of the new section of the said school at an estimated cost of \$19,904.00;

3. The purchase of school departmental equipment of a lasting character consisting of furniture, kitchen equipment, office and playground equipment, and machinery for the wood-working and machine shops at an estimated cost of \$14,996.00;

4. The reconstruction and alteration of the high school building by removal of the parapet and construction of new copper flashing on roof edge at an estimated cost of \$6,000.00; and

5. The construction of a new accessway to the high school at an estimated cost of \$2,100.00,

it being hereby determined that the useful life of the public works and improvements, the construction or purchase of which is herein authorized, has a useful life of at least ten years; that for the purpose of meeting the cost of such public works and improvements of a permanent nature hereinbefore authorized, there be and hereby is appropriated a sum of \$60,000.00; that to meet said appropriation there be and hereby is authorized under and pursuant to the Municipal Finance Statute, the issue and sale of general obligation, serial coupon bonds of the City of Franklin aggregating sixty thousand dollars (\$60,000) in principal amount, said bonds to be payable to bearer, to be in the denomination of one thousand dollars each, to be signed by the Mayor and countersigned by the City Treasurer, with coupons annexed thereto to bear the facsimile signature of the City Treasurer; and that dis-

cretion to fix the date, maturities, denominations, place of payment, interest rate (not to exceed 2.75% per anum), form and other details of said bonds and of providing for the sale thereof, is hereby delegated to the City Treasurer with approval of the Mayor.

Approved: Wiggin S. Gilman, Mayor

Passed: March 24, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 8

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to the appropriation of money for the purchase of a new police cruiser.

Resolved by the City Council of the City of Franklin that the sum of \$1,000.00 be appropriated to the Police Department for the purchase of a new police cruiser.

Approved: Wiggin S. Gilman, Mayor

Passed: May 2, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 9

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to additional appropriations for the year 1955.

Resolved by the City Council of the City of Franklin that the following appropriations be made for the year 1955:

Schools	\$233,000.00
County Tax	34,000.00
Increase in wages from Sept. 5 to Dec. 15, '55	2,100.00
Contingent Fund	5,180.00
Labor, asphalt, gravel and pipe for highways	10,000.00
Parks and Recreation	500.00
Daniell Park Dev.	300.00

\$285,080.00

Approved: Wiggin S. Gilman, Mayor

Passed: June 28, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 10

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to the establishment of the Office of Departmental Director and Assistant to the Mayor.

Resolved by the City Council of the City of Franklin, as follows:

Section 1. There is hereby established in the City of Franklin the Office of Director of Departments and Assistant to the Mayor.

Section 2. The term of office of said director shall be for one year and until his successor is appointed and qualified, unless sooner removed by the City Council for good cause.

Section 3. Said director shall be appointed by the City Council, and the first director shall take office on January 2, 1956.

Section 4. Said director shall be paid a salary of twenty-five hundred dollars per year and in addition shall receive the sum of five hundred dollars per year to cover expenses incidental to his office.

Section 5. It shall be the duty of said director to assist the Mayor in the performance of the duties of his office; to carry out the orders and directives of the Mayor, the Council committees, and the Council; and to exercise general surveillance over the departments of the City which are subject to the Mayor and Council for the purpose of assisting the Mayor and Council in managing the affairs of the City of Franklin.

Section 6. All records of the departments which are subject to the Mayor and Council shall be open to the inspection of said director, and the heads of said departments shall cooperate with the director in the performance of the duties of his office.

Section 7. This resolution shall take effect upon its passage.

Approved: Wiggin S. Gilman, Mayor

Passed: October 3, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 11

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution amending the resolution relating to the dispo-

sition of funds of the bond issue for school equipment, reconstruction and alteration passed on March 24, 1955.

Resolved by the City Council of the City of Franklin, as follows:

1. That the sum of eleven thousand, five hundred seventy-two dollars and ninety-five cents (\$11,572.95) be deducted from the amount authorized under section 3b of the resolution relating to the disposition of funds of the bond issue for school equipment, reconstruction and alteration, and the amount authorized under section 3d of said resolution be increased by the same amount so that the amount authorized under section 3b will be eight thousand three hundred thirty-one dollars and five cents (\$8,331.05), and the amount authorized under section 3d will be seventeen thousand, five hundred seventy-two dollars and ninety-five cents (\$17,572.95).

Approved: Wiggin S. Gilman, Mayor

Passed: October 7, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 12

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution amending the resolution relating to the disposition of funds of the bond issue for school equipment, reconstruction and alteration passed on March 24, 1955.

Resolved by the City Council of the City of Franklin, as follows:

1. That the sum of two hundred and forty-seven dollars and sixty-two cents (\$247.62) be deducted from the amount authorized under section 3b of the resolution relating to the disposition of funds of the bond issue for school equipment, reconstruction and alteration, and the amount authorized under section 4e (10) be increased by the same amount so that the amount authorized under section 3b will be eight thousand eighty-three dollars and forty-three cents (\$8,083.43) and the amount authorized under section 4e (10) will be one thousand two hundred forty-seven dollars and sixty-two cents (\$1,247.62).

Approved: Wiggin S. Gilman, Mayor

Passed: November 7, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

RESOLUTION

NO. 13

In the year of our Lord one thousand nine hundred and fifty-five.

A resolution relating to the revocation of resolution establishing the office of Departmental Director and Assistant to the Mayor.

Be it hereby resolved by the City Council of the City of Franklin as follows:

That the resolution of the City Council, passed on October 3, 1955, relating to the establishment of the office of departmental director and assistant to the Mayor be, and hereby is, revoked.

Approved: Wiggin S. Gilman, Mayor

Passed: December 5, 1955

A true copy, attest: Mildred S. Gilman, City Clerk

Ordinances

AN ORDINANCE RELATING TO THE TESTING OF FIRE HYDRANTS

In the year of our Lord one thousand nine hundred and fifty-five.

Be it ordained by the City Council of the City of Franklin, as follows:

Section 1. It shall be the duty of the Fire Department, in cooperation with the Water Department, to test all fire hydrants in the city to determine that they are in proper working condition three times annually, once each spring summer, and fall, commencing with the fall of 1955.

Section 2. Such tests shall be made by an engineer of the Fire Department and the Superintendent of the Water Works.

Section 3. All hydrants found to be operating improperly shall be repaired and placed in proper working condition.

Section 4. This ordinance shall take effect upon its passage.

Approved: Wiggin S. Gilman, Mayor

Passed: November 7, 1955

A true copy, attest: Mildred S. Gilman, City Clerk
